Lecture 5: What’s new?

CSEE 4119: Computer Networks
Tuesday January 31\textsuperscript{st}
Well, sort of. 108 students enrolled, so Hamilton was too small! Fortunately, last week with uncertain enrollment.

Apples are now provided with a napkin!

Kudos to Avner, Laurent, Mathias!
Announcements

* 1st assignment due now:
  o Next one will be posted soon (Chap.2), and
  o due Feb. 14th before the class
